Posting of Prior Year Journal Entries

Description

While conducting our annual financial statement audit, BST & Co. CPAs, LLP (BST, our, we) noted that the prior year journal entries agreed to and accepted by management of the Agency were not properly reflected in the December 31, 2022 trial balance.

Recommendation

Using the detailed listing of journal entries agreed to by management, management should reconcile their December 31, 2022 trial balance to match the audited financial statements. This reconciliation will help ensure the Board of Directors is provided with accurate interim financial information.

This letter is intended solely for the information and use of management, the Board of Directors, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.
